

Should your Caravan be sold privately with a current AWN warranty you can apply to transfer the benefits of the warranty to the new owner, subject to the warranty terms and conditions.

Step 1. Complete the Transfer of Ownership Application form and submit with Proof of Caravan Purchase to AWN within 7 days of change of ownership of the Caravan.

Step 2. Once we have received your Transfer of Ownership Application form and Proof of Caravan Purchase, upon confirming the warranty is valid, a representative from AWN will contact the new owner of the Caravan to arrange a Caravan inspection. A fee will be charged for the Caravan inspection by the approved repairer.

Step 3. After you have had your Caravan inspected by an AWN approved repairer, send the inspection report with the AWN \$75.00 administration fee to AWN for review. You will be notified within 72 hours of successful transfer.
